CLASS POEM

BY BETTYE BELL

'Twas a beautiful, golden autumn day,
We started merrily on our way.
Happy and merry as we started to climb,
The ladder of learning for the very first time.
Though frightened we were the very first day,
We soon learned we were expected to stay.
That made us decide to make the best of the thing,
And we began to look forward to what the next day
would bring.

The weeks passed by and each day that came,
Brought a further climbing, never the same.
Each year we sought knowledge, fresh and new,
For the subjects we had were not a few.
Our High School days are nearly by,
So with regret we have to leave old Central High.
To our teachers we wish to express,
Our long remembrance and gratefulness.

As each one starts a separate way,
Upon this Graduation day.
We step off into a great unknown,
And each must travel his path alone.
All through life we are sure to find,
'Twill be sometimes hard and sometimes kind.
Whether our will be weak or strong,
Shall determine for whom success shall belong.

Good luck to a very nice girl. You deserve the best of everything.
Glyndon Shaver
your paper boy

PROPHECY BY CAROLE McQUEEN AND JOHN WHITE

Due to an extended sojourn abroad we had lost contact with our friends of the class of '52. On our return after this extended absence we wished to know the various fates of our high school associates. Realizing that since they graduated from C. H. S. they must have risen high in the world, we immediately thought of consulting the present Who's Who. We stepped outside and hailed a cab. Upon entering the cab who should greet us with a cheery "*Where To*" but our old friend Willie Telford, owner and operator of Rocket Cab Company.

At the library we were greeted by head librarian, MARTHA BOYLES. After her able assistant MARGARET BRAFFORD had secured this year's Who's Who we seated ourselves and noticed to our amazement DR. ROBERT FERGUSON busily looking up intellectual phrases for his article in the *Atlantic Monthly*. The editors of the Who's Who were none other than JUANITA DODSON and SONIA OLINGER. As we thumbed through the book this is what we found:

VAN SPAULDING—Outstanding Disc Jockey of W.S.I.X. Television. "*Wonder why most of his records are by Stan Kenton.*"

JOHNNY ROBERTS—in a nationwide poll of stars voted the most eligible bachelor of the year. "*Hmm.*" LEON RADER also ran.

D. CAPPS, *Sponsor*.

The Bluegrass Chapter of Future Farmers of America moved into their new department when the fall term opened. The remodeled suite includes a classroom, shop, tool crib, office, and chapter room.

The chapter can take pride in such achievements as again winning the coveted "skills" trophy which includes technical operations like welding, rope work, plumbing, soldering, and vaccinating animals.

Also, for the second year, the chapter was host to the other chapters at our annual Davidson County Rally, where our F.F.A. Queen, Betty Patterson, was chosen District Sweetheart. Central entered the best shop exhibit in the rally and won a total of more than \$30 in prizes. We used this money to provide trips to the Chicago International Livestock Show for President Fred Barnes and Vice President William Johnson.

Some of the chapter members had outstanding project programs this year, one of which belonged to Sophomore Frank Williams, who entered two fine Guernsey heifers in the State Fair. Red Johnson, Billy Scruggs and Richard Burnett had nice beef projects while Tracy Roland placed second in the county with his broilers.

The Chapter F.F.A. Basketball team went undefeated for the past two years with one exception. We also had good placings in Livestock Judging, Dairy Judging, and Parliamentary procedure.

We cooperated in several projects during the year, one being a most successful broiler project in the school basement. We also produced several radio programs, and were very successful on talent night with our fine entries.

Good luck to a good friend.

FOOTBALL 1951

The Central High football season opened on September 14, with a thrilling victory over Father Ryan. The Golden Tornado trailed Ryan for 44 minutes and 16 seconds and then drove 71 yards to pull its season opener out of the fire, 7 to 6. Freddie Hart and Bruce Wilson swung into action in the fourth period to spark Central's winning touchdown drive. A 27 yard pass from Wilson to Clyde Ferguson helped set up the score which came from the 4 yard

line on a plunge by Hart. Hart then went through the line for the extra point.

On Friday September 21, Portland's Purple Panthers won a 34 to 0 victory over the Central Tornados. Portland made 14 first downs to Central's 8.

Central's Golden Tornado accomplished an outstanding upset on September 28 by nosing out the

previously unbeaten Hillsboro Burros 14 to 13 on the Burros' field. Clyde Ferguson provided Central with its golden chance in the third quarter by taking a fumble out of the air and racing 65 yards for the touchdown that tied the score. Freddie Hart then went over left tackle for the winning extra point.

With time running out in the half Central took over on downs on its own 35 yard line and then advanced the ball 60 yards in five plays. Hart took a pitchout from Booty Wilson and went over from the five. Wilson then sneaked over for the extra point.

Before 3,000 fans on the Tornado field, Isaac Litton defeated a spirited Central team 33 to 12.

Central's stubborn line plus the offensive work of Freddie Hart gave Litton more than they expected in the first half. Clyde Ferguson set up Central's first touchdown with a 42 yard punt return. Hart powered to the six yard line and a penalty moved the ball to the one. After a ten yard loss Hart plunged over.

On Friday October 12 the DuPont Bulldog spoiled Central's homecoming with a 38 to 0 score. The two teams picked up eleven first downs each.

Central met a keyed up East High Eagles team Friday October 19 on the Eagles' field. East cele-

brated their homecoming by defeating a fighting Central team 33 to 6. Big Freddie Hart was the outstanding back for Central. Telephone Girls

and some of the
things they do

Telephone girls enjoy interesting and important jobs in a growing industry.

Operators using modern equipment provide world-wide communication. — Service Representatives handle customer contacts in our business offices. — Stenographers, Typists and Clerical workers perform important and specialized jobs in all departments.

If good pay—friendly associates your own age—paid vacations—sickness benefits and frequently scheduled raises appeal to you—why not come in and talk with us about a position with the Telephone Company.
